About the New Season – 2017 - 2018

We are excited to bring Traditional All-Star back this season along with continuing our successful Prep Program! We were fortunate enough to take a break from all-star the last two years. This gave us an opportunity to take a step back and see what was important and to see where the sport was heading. We love all-star cheer and we believe that bringing back the energy from years past was the key. Reasonable costs, drivable out-of-state competitions and putting emphasis on the team and individuals as a whole instead of a competition at the end of the season is what we felt were important.

FAQs

What is the difference between Traditional All-star and All-Star- Prep?

The way we run our program and coaching will be the same. You will see a difference in cost, practice time, basket tosses (Level 2+) and length of routine.

Will it be determined at tryouts what team the girls would to?

We will send out emails on with team placements, but they MAY adjust slightly over summer depending on skills that individuals gain/lose and/or a team gains/loses as a whole.

How many overall teams are we going to have? We never know what teams we will have until after tryouts. Our goal is to have AT LEAST 1-2 traditional team and 1-2 prep teams immediately following team evaluations. However, it all depends on tryout numbers. Our goal is to set our teams up to be the most competitive they can be in their respective levels. We are expecting teams in levels 1-3 - (tiny, mini, youth, junior, senior).

Who is coaching each team? This is still undetermined until we know what teams we will have. All team coach placements will depend on experience, willingness to be credentialed and time commitment for next season.

Are there scholarship opportunities for tuition? Yes there are ways to subsidize tuition. AZ All-Stars hosts a series of cheer competitions throughout the season and if you and your family are interested, we can always use your help and put your hourly rate towards tuition. Talk to Jenn if you are interested.

My daughter is interested in coaching, can she help coach? We love to teach our athletes how to coach. Our best coaches started with us when they were young. There are Jr coaching opportunities, however they are volunteer and will not be paid. We have a few new teams starting (Tiny's) and we will continue our successful REC F3 program and add levels. Once a JR coach becomes of age to work and we have a need, we could add to our paying staff. There is so much to learn on the coaching side. We love passing along our knowledge.
