Team Placement Process

Pro Tip: "Trust the Process"

We evaluate athletes based on technique of all skill aspects on a score sheet: Tumbling, Stunting, Jumps, Dance, Motion Placement, and Performance. We place athletes based on previous and current technique of ALL skills, age, mental maturity, attitude, and needs of a specific team. Arizona All-Stars strives to make the strongest, most competitive teams in each division and level. We aim to keep the oldest eligible ages together on each team.

Competitive cheerleading is a large commitment from our athletes and the entire family.

Some things to consider and understand:

- All practices, performances, and events are always mandatory. You must arrive at all practices, competitions and scheduled events on time. Punctuality is a MUST!
- Attendance policies: The only POSSIBLE exceptions to missing practice is for a contagious illness or school function for a grade. All school functions MUST be communicated to your coach in a timely manner in writing along with proof the school function is for a grade. Please no LAST MINUTE REQUESTS. Contagious illnesses must be communicated to Jenn. Missing 5 practices for ANY reason, may result in removal/replacement of your athlete on their team/routine.
- Extended illness (missing more than 1 practice) will require a doctor's note to return.
- Any injury that requires an athlete to sit out of practice will require a doctor's note to return. Please understand that any injury that requires an extended period of healing time, may result in movement in the routine/team.
- Missing practice 1 week prior to a 1-day competition and/or 2 weeks prior to a 2-day competition may/will result in being removed from the routine and replaced for that upcoming competition.
- Athletes need to be able to physically and mentally perform all aspects of cheerleading. This may require additional practices, privates, conditioning and/or classes. Some practices may be last minute scheduled.
- Great sportsmanship, polite manners, and a good disposition are mandatory at all practices, competitions, and events from all athletes, parents, and AZ All-Stars friends and family.
- Practices may be added or changed during any time in the season.
- Please feel free to talk to your coach or Jenn about anything: please remember to do so at the appropriate time. For example, in the middle of practice or competition day would not be an appropriate time.
- Social Media posts that are in poor representation of Arizona All-Stars may result in suspension or removal from the team/gym.
- Personal items, such as cell phones, school bags, etc. are the responsibility of the athlete and must be stored away during classes and practices. Arizona All-Stars is not responsible for any lost or stolen items.
- NO GOSSIP about ANY other athletes, teams, coaches, staff will be tolerated.
- Only athletes and coaches are allowed in the gym.
- All practices are CLOSED to parents, except for the final 15 minutes of each practice.
- No one is ever allowed to yell down to their athlete from the parent mezzanine.
- Arizona All-Stars is not a babysitting service. No athlete should be dropped off at the gym unsupervised or without being in a class or practice.
- It is the parent's responsibility to know what is going on with your team(s). Check your emails and the team's band groups regularly. Band, Facebook, Remind, and Email are all potential means of communication.
- Please make sure both parents are fully aware of the time commitment to Arizona All-Stars. It is unfair to the team and especially the athlete for practice/competitions to be used as a bargaining tool. Arizona All-Stars will make no exceptions due to co-parenting conflicts.
- Punishing a child by missing practice and/or competition is not acceptable.
- Homework is not an acceptable excuse for missing practice.
- Anyone threatening to quit or remove their athlete from a team may be removed from the program immediately.
- Arizona All-Stars gym name, team names, logos, etc. are never allowed to be used in any capacity on clothing, team items, etc. without the approval from Jenn.
